Quality of Life Millage Proposal Town Hall Meeting

Wednesday, August 5, 2015 at 6:00 p.m.

With regard to the upcoming Town Hall Meeting on Wednesday, August 5, 2015 at 6:00 p.m. involving the Quality of Life Millage Proposal, we are planning to discuss the following possible projects for the County of Muskegon to consider. These are merely suggestions at this point and we welcome any input or suggestions that others may wish to contribute. As such, we need to begin the dialogue with some possible projects already having been discussed. These include, but are not limited to the following:

1. Township wide multi use trails.
2. Develop Nestrom Road Park trails and beach area with a focus on enhancing accessibility for the disabled.
3. Cultural and performing arts festivals within the township.
4. Development of winter sports and activities within the township parks system.
5. Campground facilities at Duck Lake Road Park (NOT Duck Lake State Park).
6. Dredging of east end of Duck Lake.

Please plan to attend as Connie Maxim-Sparrow, Jonathan Wilson, and Sara Damm from Muskegon County’s Office for Community Innovation, will also be in attendance to answer any questions with regards to the upcoming Quality of Life millage proposal.

Regards,
