**COMMISSIONER'S COMMENTS:**

Chairman Huch stated that he has ordered the light and flag for the flag pole by the baseball field. He also added that the grills are here and ready to be installed. He mentioned the White Lake Drive boat ramp and a discussion he had with a property owner there.

Commissioner Murray stated that the Duck Lake Reptarian Association had their annual meeting and it was noted all the things that have been completed and worked on in the park. He mentioned that it would be a good idea to have a sign with names indicating who is reserving the pavilion for each date as there was a mix up for his group when they attended. Recording Secretary Mary Mansfield said that when individuals reserve the pavilion, it is explained to them which is pavilion #1 or #2, and that it is also indicated on their receipts upon renting. She suggested even putting a #1 and #2 on the pavilions to make it easier. Commissioner Murray also stated that it's been suggested that the Commission get an additional portable restroom for the park with the increased traffic. He also said that there is Hemlock Woolly Adelgid present in the park on the hemlock trees. Commissioner Murray also let the commissioners know that some pads are off the playground as some bolts are missing. He's not sure if it's vandalism or not, but he's holding onto the pads and has been in touch with Penchura to come and replace them and the bolts. Commissioner Murray stated that it is still under warranty.

Commissioner Knopf thanked the others for their work and research regarding the scoreboard, suggesting that the Commission advertise it in the E-News letter or the White Lake Beacon.

Chairman Huch stated that he agrees with the need for a second portable restroom, possibly by the baseball field. He also mentioned the possibility of a food truck during baseball season moving forward.

**ADJOURNMENT:**

Motion by Bob Murray, second from Mark Beegle, **ADOPTED** to adjourn the June 21, 2021 scheduled special meeting of the Fruitland Township Parks and Recreation Commission at 9:26 AM.
