FRUITLAND TOWNSHIP FOOD SAFETY

Michigan State University will be hosting a food safety event at Fruitland Township. The event is completely free and will focus on foodborne illness. This will be a PowerPoint presentation lasting about 45 minutes to an hour. Please see the event information below.

Food Safety for Families – Foodborne Illness

When: June 1, 2022 at 6:00p.m.

Where: Fruitland Township
4545 Nestrom Road
At the pavilion near the playground

To register visit <https://events.anr.msu.edu/fruitlandfoodsafetyjune1/>

We'll discuss what is foodborne illness, who is most susceptible, how to store food properly at home, how to take proper hygiene precautions, prevent cross- contamination, cook food to proper temperatures, and avoid mistakes in food preparation.

For more information, contact Wade Syers at syerswad@msu.edu.

ROAD BRINING

Roads will be graded this week and brining is scheduled to take place this Friday.
