PUBLIC COMMENT:

Terrie Hampel, 6171 Duck Lake Road thanked the Parks & Recreation Commission for their work on the Master Plan. She is pleased to see that there is an increased emphasis in the plan on recreation; an increased interest in collaboration with other agencies; and she is pleased to see that a multi-use trail system has been moved up in priority. She also extended thanks to Laura Shields for all of her work on the Commission over the years.

OLD BUSINESS:

Parks & Rec Master Plan Public Hearing – There were no further comments on the Master Plan.
