**Featuring Fetch Beer and the music of:  
CATFISH AND THE MAN**

Come enjoy your favorite Fetch Beer and the music of Catfish and the Man on the grounds of the White River Light Station. This family friendly event is a fund raiser for the Sable Points Lighthouse Keepers, caretakers of the lighthouse. Beer and Wine as well as soft drinks and water will be available for purchase. Proceeds will continue to help support the mission to preserve, promote and educate the public and to make our lighthouses accessible. <https://www.facebook.com/catfishandtheman>

West Michigan Environmental Action Council (WMEAC) will host ***Keeping White Lake Water Clean Water Quality Forum*** at Fruitland Township Hall, [4545 Nestrom Road, Whitehall, Michigan](https://www.fruitlandtwp.org), on August 18, 2022 from 6 to 8PM.

The forum will cover the following topics: update on the cleanup of the DuPont/Chemours site; emerging threats to water quality (E.coli and toxic algae; how green infrastructure can address stormwater runoff pollution; climate change and the Great Lakes and an overview/best practices for management of septic systems.

Speakers: Michael Eslick (Public Health Muskegon County); Dr. Rick Rediske and Dr. Kevin Strychar (GVSU – Annis Water Resources Institute; Aaron Parker (EGLE); Carlos Calderon (WMEAC); Clair Schlaff (Chemours Environmental Impact Committee).
