BOATER SAFETY CLASS

The U.S. Coast Guard Auxiliary is having a boater safety class on July 1, 2023, from 9:00a.m. to approximately 4:00p.m. The class is perfect for new boaters or anyone who wants to learn the fundamentals about operating a vessel safely. Anyone attending will need to bring a pen, snacks, lunch and drinks. The class is free, however, you will need to register for the event on the website below:
