## **IMPROVING RECYCLING IN MUSKEGON COUNTY COMMUNITY SURVEY**

Do you want improved recycling in Muskegon County? Take this survey to help make it happen!

West Michigan Environmental Action Council (WMEAC) and many partners throughout Muskegon County, including local elected officials, representatives of community organizations, educators and businesses, have been working to find ways to improve recycling. We want to connect with you and other area residents to get your input on ideas to expand programs and services and make recycling easier and more accessible.

**THIS SURVEY IS FOR MUSKEGON COUNTY RESIDENTS ONLY. THANKS!**
