## **MDR MEDIUM DENSITY RESIDENTIAL DISTRICT**

### **SECTION 6.01 INTENT AND PURPOSE**

This District is intended for residential and other associated uses, including certain related non-residential uses. The purpose of this District is to preserve the residential character of the lands within this District, while allowing a greater density of development yet minimizing public service costs, lessening urban influence, and preserving some degree of open space. Careful consideration is given to environmental concerns related to groundwater quality, which might be threatened by excessive development, high water tables, or other conditions, and other related issues pertaining to development in areas with limited public services. The requirements of the Ordinance are in addition to other ordinance provisions including but not limited to the “Shorelands Protection and Management Act,” the Sand Dune Protection and Management Act, the “Wetlands Protection Act” and the “Clean Water Act”, as amended.
