1. Parks and Recreation Commission Project Listing Recommendations from the Township Board

Chairperson Shields stated that when she approached the Township Supervisor about going to the Township Board with questions in regards to the Parks and Recreation Commission project listing recommendations, it was reported to her that the Township Board declines to comment on the list until after the outcome of the upcoming election.

Chairperson Shields reported that she did receive an email from Rick Peddler, the president of the Muskegon County Nature Club. The email stated questioned whether this is a “feel good” or “do good” mission, and whether or not this is something that the Township Board would seriously like to look into. Chairperson Shields stated that this is something that should be discussed before going any further.
