MUSKEGON COUNTY ROAD COMMISSION 2024 **MAINTENANCE PROJECT UPDATES**

- Simonelli Road – box culvert.
 - The asphalt has been removed.
 - The excavator will likely be moved up here on the week of the 14th of October, that date is pending when it's done being used at Peters Rd and Bailey Rd.
 - Also during the week of the 14th the crane will mobilize and prepare for sheet pile installs.
 - The week of the 21st will continue with preparing for de-watering and cleaning the grade for the box culvert.

JETTY LIFE RINGS

The three life rings on the west end of the White Lake Channel Jetty, located on the North and South sides of the channel, will be removed by November 1, 2024. They will be replaced in the spring of 2025.
