POLITICAL SIGNS

It has come to our attention that many political signs are still up around the Township. Please be advised that per Zoning Ordinance, Article XVII, section 17.08, "each temporary sign displayed at any out of doors location on any property not owned by Fruitland Township shall be removed within five (5) days after the event, sale or other matter to which the sign refers." This includes election signs. If you still have election signs in your yard, please remove them immediately to follow regulations set forth by the ordinance.

Thank you!
