PEST CONTROL SALESPERSONS

It has been brought to the attention of Township staff that a group of Aptive Pest Control salespersons are going door to door throughout the Township hard selling residents to purchase pest control services. After several complaints, we made contact with Aptive Corporate Supervisors informing them to remove their salespersons from the Township and not to solicit within the Township boundaries in the future. If you have signed up for these services, you have three days to cancel, if you so desire. If you have questions, please contact the Township Supervisor, Jeff Marcinkowski, at 231-766-3208.
