Townhall Meeting 09/09/2025

Join us for the next Fruitland Township Townhall Meeting!

The meeting will be at 7 PM on Tuesday, September 9th.

The focus of this Townhall Meeting will be the **White Lake Ambulance Authority**. A representative from the White Lake Ambulance Authority will give a short presentation and will be available to answer questions. After their presentation, there will be an opportunity for open dialogue from the community.

The purpose of this meeting is to provide up-to-date information and gauge what interest the residents of Fruitland Township have in joining the White Lake Ambulance Authority. If you have specific questions you would like answered at the meeting, please email them to Clerk@fruitlandmi.gov and we will do our best to have answers ready.

We hope to see you there!
