AMBULANCE SERVICE

The Fruitland Township Board regular meeting agenda for October 20, 2025, will include a New Business Action Item listed as Ambulance Services.

There was a Town Hall meeting on September 9, 2025, with the sole topic of Ambulance Services. At least 20 people were in attendance, and they were in favor of the Township seeking a way to bring reliable ALS ambulance service to Fruitland Township.

An RFP was drafted and sent out to three ALS Ambulance Service providers: Trinity, Life and White Lake Ambulance Authority. White Lake Ambulance Authority provided a proposal while Trinity and Life declined to send a proposal.

The basic information for the proposal is a 1 (one) year contract for a total cost of \$200,000.00, which would be covered through our Special Contingency Fund. The amount would be assessed back to residents who have parcels with a residence on them. The Township Board meeting October 20, 2025, is an opportunity for residents to voice their opinion during public comment. The meeting will be held at the Township Hall at 6:00p.m.
