Explain:

#### Homeowner affidavit

I hereby certify the mechanical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the International Mechanical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Fruitland Township Mechanical Inspector. I will cooperate with the Fruitland Township Mechanical Inspector and assume the responsibility to arrange for necessary inspections.

Home Owner's Signature Date

Section 23A of the State construction code Act of 1972, Act No. 230 of the Public Acts of 1972, being section 125, 1523A of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23A are subject to civil fines.

#### Licensee or Homeowner

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent, and we agree to conform to all applicable laws of the State of Michigan, and call for all required inspections. All information submitted in this application is accurate to the best of my knowledge.

Applicants Signature Date

**General: Mechanical** work shall not be started until the application for permit has been filed with Fruitland Township. All installations shall be in conformance with the International Mechanical Code. No work shall be concealed until it has been inspected. The name of the inspector and the telephone number will be provided on the permit form. When ready for an inspection call the inspector, providing as much advance notice as possible. The inspector will need the location and permit number.

**Expiration of permit:** A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be cancelled when no inspections are requested and conducted within sixth months of the date of issuance or the date of a previous inspection. Contact Fruitland Township for the Cancellation/Refund Policy.
