Master Plan Survey

All Fruitland Township residents should have received a postcard with directions for filling out the Fruitland Township Master Plan Survey. This is an important way to make your voice heard when it comes to the future of Fruitland Township. The Planning Commission is currently working on a full rewrite of the Master Plan, which will serve as a guide for decisions made in the township over the next 5 years.

How to take the survey:

- Stop into the Township Office for a paper survey
- Scan the QR code:

USPS Postmark Date

At the end of 2025, a new rule pertaining to U.S. Postal Service postmark dates took effect. The rule clarifies that the postmark date on a piece of mail will reflect the date an envelope is first processed by an automated USPS sorting machine, not the date the mail is received by the post office.

The only way to guarantee a specific postmark date is to request a manual local postmark at a local post office or purchase a certificate of mailing.

Note: 2025 Property Taxes are due by 2/17/26 to avoid any late penalties.

Fruitland Township does honor postmark dates, so any payments postmarked by 2/17/26 will not incur a late fee.

Town Hall Meeting

The next Town Hall Meeting is scheduled for Thursday, February 27th at 7:00 PM.

There will be a short presentation regarding Property Taxes, including a breakdown of the tax rates in Fruitland Township and a list of FAQs, followed by a forum for open discussion with Township officials.

Multiple Fruitland Township Board members will be present to answer your questions, whether about taxes or other topics of interest.

We hope to see you there!
