ROAD WORK AND ROAD CLOSURE NOTICE

Weather permitting, chip seal operations are scheduled for tomorrow or Wednesday on Whitehall Road in Laketon Township. To safely complete the work, Whitehall Road will be closed in two phases. Phase one: Giles Road north to the car wash (next to Tractor Supply). Phase two: once the first section is complete, the closure will move from the car was north to River Road. Motorists are encouraged to seek alternate routes during construction. Access through the work zone will be extremely limited while crews complete the chip seal process.

Beginning Monday, June 22nd, River Road between Whitehall and Russell Roads will be closed for approximately seven days while a contractor is rebuilding the railroad crossing. River Road will be closed at the railroad tracks. Through traffic will not be permitted between Whitehall Road and Russell Road. Residents will continue to have access to their homes. Depending on your location, you may need to follow the posted detour below. Please plan ahead, allow extra travel time, and follow all posted detour signs.
